

Camping Reservations for Winter Range/NMLRA 2016 at Shooters' Campground East and Central Shooters' Campground

2016 Camping Reservations will be accepted beginning Thursday, October 1st, 2015, at 8am, Arizona time.

All campers will need to pay for one night of camping to hold their site if reservations are made for **February 21st through March 9th, 2016.**

The actual amount of one night of camping will depend on what campground you will be staying in. These are the current rates for the winter months:

Central Shooters' Campground (water/elec/sewer): **\$35/night**

Shooters' Campground East (water/elec): **\$30/night**

Shooter's Campground East (dry): **\$12/night**

This is how it will work:

You will make a reservation request via our website like in years past. We will try and get back to everyone by the end of that week. On your confirmation email, you will be given a one-week window to call the office and make a credit card payment (Visa and Mastercard). If you are not able to make a payment with a credit card, please note so in the comments section of your reservation request so we can make different arrangements. Not everyone will be given the same one-week window, so don't worry if your window is, say, one month out. We want to avoid 90 different people calling at the same time trying to make a payment so the one week windows will be staggered. Also, if we don't answer the phone when you call, please wait 15 minutes or so before calling back.

There will be **no refunds** whatsoever on this first night of camping.

We will be offering weekly and monthly rates during February and March. The amount you paid when you made your reservation will be deducted from your total when you actually check-in.

We hope to make this process as simple as possible. Please call 623-582-8313 or email winterrange@azgfd.gov if you have any questions or concerns (or suggestions).

As always, we very much appreciate your patronage to the Ben Avery Shooting Facility. We'll see you in the spring!
